Parkhill Homes is proud to be the sponsor of the STARS 2013 Lottery Home!

STARS (Shock Trauma Air Rescue Service Foundation) is an air rescue service that offers time, hope & life-saving transport to the critically ill and injured patients! STARS has been operating in Manitoba since 2009 but as of 2012, the provincial government has signed a 10-year agreement for helicopter air ambulance services in our province.

I have had the pleasure of meeting some of their VIP's (very important patients) and they cannot say enough about how important STARS role was in their rescue, survival & recovery.

Parkhill Homes asks all of its past & present clients, trades & suppliers, friends & family to support this wonderful organization by purchasing the lottery tickets.

Please visit 32 Cypress Ridge in South Pointe (Waverley West) Mon-Thurs 5 - 8 pm; Sat & Sun 1-5 pm to purchase your tickets!
